

Canadian Manufacturer

EXCALIBUR - CHLOR-A-SOFT™ SERIES WATER SOFTENER *plus*

Quality through innovation

Chlor-A-Soft™ Series Water Softener *plus*

Why choose between a filtration system and a water softener when you can have both? The Chlor-A-Soft™ Series high efficiency water softener from Excalibur Water Systems is the top-selling municipal water combination system that blends two medias together, providing soft water plus chlorine and chemical filtration, all in one system.

On demand softened and filtered water

Removes chlorine and volatile chemicals

Protect your home plumbing and appliances

Spend up to 80% less on cleaning products

Save up to 24% on energy costs

Soft water means clean, soft skin and hair

**municipal water supplies only*

Part #	Capacity (kgr)	Pressure (psi)	Temperature (°F)	L x W x H (in)
EWS SPREF30	30,000	40-110	40-110	27" x 18" x 57"
EWS SPREF45	45,000	40-110	40-110	28" x 20" x 63"
EWS SPREF60	60,000	40-110	40-110	33" x 20" x 63"

Effects of Hard Water

Hard water can :

- Shorten the life of your appliances and increase energy costs
- Prevent your clothes from being cleaned properly, no matter how much detergent you use
- Cause deposits like limescale to cling to your dishes, causing a cloudy appearance
- Increase your chances of having soap scum and mineral buildup in your bathroom and kitchen, which means more time and money spent cleaning
- Lead to plumbing issues in your home by constricting the flow of water in your pipes
- Dry out your skin and hair

All of these hard water issues can be solved with a Chlor-A-Soft™ Series Water Softener Plus. The life of your appliances will be extended, your dishware will shine, and your clothing will be bright and clean.

Safe Water

Your water may look clear, but all municipal water contains highly toxic chemicals that can pose a danger to your health. The Chlor-A-Soft™ Series Water Softener Plus removes unwanted chlorine, chemicals, THM's, and VOC's from your municipal water supply; providing safe, filtered water for you and your family.

Choose Excalibur

Choose soft, filtered water you and your family can depend on with the Chlor-A-Soft™ Series Water Softener Plus from Excalibur Water Systems.
