EXCALIBUR - FILTERMAX™ PREMIUM CHEMICAL REMOVAL FILTER

Quality through innovation

Filtermax™ Premium Chemical Removal Filter

Your water may look clear, but all municipal water contains highly toxic chemicals that can pose a danger to your health. The Filtermax™ Premium Chemical Removal Filter removes chemicals such as chlorine, chloramines, THM's, and volatile industrial chemicals from your municipal water supply. This filter also removes any dirt or debris from your water, providing safe, clean water for you and your family.

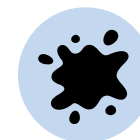

Low voltage 12 VAC utilizing less than \$2/year in electricity

Fully automatic backwashable filter = no cartridges required

Removes chemicals

Sediment filtration

Filtered water to every tap

Improves indoor air quality

**municipal water supplies only*

Part #	Filtration Removal	Pressure (psi)	Temperature (°F)	L x W x H (in)
EWS BTPCS1	Chemicals & Sediment	40-110	40-110	10" x 18" x 56"
